Dear Parents/Guardians

We are about to start the new academic session 2023-24. The current academic year is soon ending, and on a pleasant note. We are glad to see students and teachers coming back to usual ways of learning after a long hiatus due to COVID-19. All academic and extra-curricular activities have resumed in full swing to make sure we are able to **cover the gap in learning**. Our teachers are **fully committed to ensure that we can provide students with all necessary support and guidance for their overall development**.

Our results in CBSE Board exams of Class XII and X clearly speak about our ability to **deliver excellent results even amidst the difficulties of a pandemic**. We would like to congratulate Suryansh and Rudra Singh who are **toppers in the Board exams of XII and X with 95% and 97.2% respectively**. We had **5 students scoring more than 95%** and **17 students scoring more than 90% in Board exams**, while 3 students also delivered a **perfect 100 score in one or more subjects**. We are pleased to see our students performing well in the examinations and thank the parents and guardians for their support to achieve excellent results. Our students have also secured positions at district and state level competitions like **National Science Congress, INTACH Quiz and Science Olympiads**. We encourage all students to continue to participate actively in academic and extra-curricular activities for a **rounded development of personality** and congratulate everyone who has helped win laurels for the school.

A fresh new year is once again at our doorstep. We look forward to a brighter beginning and wish everyone a blissful and magnificent year ahead. The school will **continue to invest in infrastructure, technology, and capabilities to future-proof education**, some of which will be seen immediately in the upcoming academic session. We are committed to continue initiatives that will help us emerge as a **front-runner in overall quality of education** and **take our school to the pole position**.
