Dear Parents/Guardians

As we approach the upcoming academic session 2025-26, we are excited to share key developments that reflect our unwavering commitment to the holistic growth of our students.

New Initiatives for Academic Excellence

Pioneering Holistic Assessment for LKG and UKG: We are thrilled to introduce Holistic Assessment for foundational stages, becoming the **first CBSE school in Bhagalpur to align with the NEP framework** as recommended by CBSE. This innovative progress card offers detailed insights into students' cognitive, social, and physical development, ensuring parents have a clear understanding of their child's strengths and areas for improvement during these formative years.

Enhanced Learning Through eVidya: Building on the success of our eVidya platform, we have continued to develop new audio-video learning modules for core subjects in Classes I–VIII. These resources, accessible for both revision and parent support, ensure that students move beyond rote learning to competency-based education. Additionally, we have incorporated analytical and skill-based learning materials to prepare students for real-world challenges, emphasizing creativity, problem-solving, and critical thinking.

Balancing Academics and Extra-Curriculars: This year witnessed a renewed focus on holistic development through inter-class competitions and sports events, fostering both academic rigor and personal growth. **We believe in nurturing well-rounded personalities** and encourage students to explore their interests actively.

Excellence in CBSE SAFAL Evaluation: We take immense pride in maintaining our lead as one of the top-performing CBSE schools in the region, as highlighted in SAFAL evaluation. This achievement reaffirms our commitment to benchmarking institutional performance and continuously raising the bar for excellence.

Academic performance in Board Examinations: The outstanding results achieved by our students in the CBSE Board exams reaffirm our commitment to delivering excellence in education. **Our toppers secured impressive scores of 95.8% and 94.5%**, with several others achieving distinction in core subjects. These remarkable accomplishments are a testament to the relentless dedication of our students, the guidance of our committed teachers, and the unwavering support of parents.

We are committed to initiating further endeavors that will solidify our position as a **front-runner in the overall quality of education**, propelling our school to the pole position. Thank you for your continued support and partnership in the educational journey of our students.

2. Tuition and annual fees include charges for all school facilities, maintenance, development, infrastructure, lab facilities and utilities. There are no other additional or hidden charges to be paid later anytime during the session. Books, notebooks and stationery are to be purchased separately.

- Please note that **we will gradually discontinue fee deposits in banks in few years. Online payment through eConnect mobile app** will continue to be available for the convenience of parents. We thank all parents who have already adopted online payments.
- Please **do not to transfer money directly into school's bank account through NEFT/UPI or mobile wallet apps** because it cannot be tracked against student admission number. Also, we ask you to **make cash payments only in specified bank branches** listed below. We do not have tie-ups with any other bank branches and we will be unable to accept requests to accommodate payments made beyond accepted methods or at non-specified branches.
Axis Bank (Patal Babu Road), Axis Bank (Mohaddinagar), Union Bank of India (Janaki Prasad Lane)
- Students must report to the school **at least 5 minutes before the assembly bell rings**. In case there are any changes based on Government advisories, students will be informed timely. The assembly bell will ring at 7:55am for Day classes and 6:55am for Morning classes

IMPORTANT RULES, REGULATIONS AND GUIDELINES

Please go through the **school prospectus and diary** and understand the school rules and regulations. The school puts a very strong emphasis on discipline. A list of key guidelines is provided below:

1. All students must come to school in proper school uniform on time. The school gates will be closed sharp after school bell and late comers will not be allowed entry inside the school. They will be asked to go back home at their own risk.
2. Students must not carry mobile phones, earphones, music players, watches, jewelry, excessive cash, or any other precious and unnecessary items to school. Such items, if found, will be confiscated by the school and appropriate disciplinary action will be taken against the student.
3. All students must maintain the school diary and bring it to school daily. Any instructions, feedback, complaints, etc will be reported in the school diary. Parents/guardians must go through the diary regularly and countersign against remarks made by the teachers.
4. Students will not be allowed to go back home in the middle of classes. Only under exceptional medical circumstances, the parents/guardians will be called by the school to pick up their wards. Parents must carry their parents ID card and id proof (e.g. Aadhar) to validate identity.
5. All parents are requested to maintain their correct mobile number in school diary and in school records. The school will make calls to parents under emergency circumstances only, so please make sure that the number provided belongs to you (and not by the student) and attend the calls.
6. We have now discontinued sending SMS based on updated government/TRAI regulations. The school regularly sends communication through the mobile application and urgent messages through whatsapp only, so please do not change your phone or mobile numbers, as you will be unable to get any communication from the school. Please make sure you have Jupsoft eConnect mobile app installed for receiving such communications.
7. All students and parents are directed to maintain polite behavior with everyone in the school. Any acts of using foul language, violence, impersonation, teasing, inappropriate dressing, damage to school property or any other form of indiscipline will be dealt seriously and may result in appropriate penalty including termination of student from school.
8. All parents/guardians are requested to ensure that they make adequate/appropriate arrangements to pick-up and drop their wards to and from the school. The school is not responsible for activities performed by students outside the school campus so it is imperative that parents take adequate responsibility.
9. All parents/guardians should drop their wards to school not earlier than 30 minutes in morning and pick them back no later than 15 minutes after school.
10. Parent-teacher meetings are organized regularly by the school, generally after mid-term and annual examinations. We organize additional sessions for Class IX-XII for more personalized counselling of students who are about to appear in Board examinations. We expect parents/guardians to attend these meetings with teachers to understand the progress of their wards.
11. Parents can visit the school office counters for general questions. Meetings with teachers will be organized only during parent-teacher meetings, and with principal on appointment basis only.
12. School fees will not be accepted at the office counter. We strongly encourage everyone to make payment using online methods, or deposit payments at the specified bank counters only.
13. We request you to maintain regularity in paying school fees. Please make the payment before the due dates to avoid late fine. The school reserves the right to strike off students whose dues is delayed by more than 4 months.
